Mr. Bryan Partridge
Pro Tech Mechanical
1622 Saratoga Blvd.
Corpus Christi, Texas 78417

Ref: Outstanding Service

Dear Bryan:

The partners and leadership team of Radiology Associates would like to thank you and the rest of Pro Tech Mechanical for your incredible work, attention to detail, and cost savings that you have consistently delivered to us.

You and I both know that high performing HVAC and equipment chiller systems are critical components to a large medical imaging practice. As the market leader in radiology in the Coastal Bend, we at Radiology Associates have high standards for what we expect from our vendors. Jessica Martinez, our Director of Clinical Operations, Stanley Myers, our Director of Facilities, and I have been continually impressed by your response time, the knowledge and experience of your technicians, and the dedication of everyone at Pro Tech. We have utilized other mechanical groups in the past for our needs and have been underwhelmed by their project delivery. Pro Tech has exceeded our expectations and has done so at incredibly competitive pricing.

Dan and Mike have built a fantastic group and should be proud of the commitment exhibited by every member of Pro Tech. I look forward to working with you for many years in the future.
